
Selected Reading

A Yard Full of Sun by Scott Calhoun (Rio Nuevo Publishers, 2005, 192 pages, \$22.95) is a warm and sunny book that takes you on an adventure with a young family who is building a home and garden in the desert. Using plants that work with the arid climate, the book is a survival guide that will inspire thirsty gardeners in dry climates.

To receive a complimentary copy of this book, be the first person to answer this question correctly:

What popular Mexican dish is made with prickly pear cactus?
